

Dear Sir/Madam,

A.C. Joshi Library is providing trail access for "Cambridge University Press-HSS journal Collection"

This is a special plan for journals program by Cambridge University Press, which is called "Read and Publish". As a part of the plan, the faculties and researchers can publish their articles with CUP in open access to gold open access journals as well as Hybrid Journals completely free of cost and there is no article limitations for the university. Open access not only provides better citation but also helps in University NIRF ranking.

-The HSS Collection can be accessed through the link mentioned on the library web-page or by using the below mentioned URL.
